About Us

Stellar Exports is a leading manufacturer and exporter of scaffolding, garden accessories and other sheet metal and tubular components. We also manufacture custom parts to suit the specifications and requirements of our clients. We offer competitive prices, top quality products and timely deliveries which have helped us in maintaining strong business relations with our clients across the globe.

We have the latest state of the art machinery, testing equipment and well trained engineers. We procure steel directly from the steel mills which helps us in offering competitive pricing and faster deliveries.

With a vast experience in the fabrication industry, we are able to offer the best solutions to our clients. Our products conform to the highest international standards and are constantly upgraded to enhance their performance.
